

## Festival Choir enrolment - Musique Cordiale 2020

Please join now and sing! We invite you to enrol. Applications from accomplished singers to join or rejoin the 2020 Festival choir are now OPEN (Dec 2019). We encourage you to use the form for Online enrolment for the summer Festival Choir 2020. (You can alternatively download and print or email a copy of this PDF version of this form). You can part-complete and save this form as you complete it before submitting it or click the SUBMIT button at the bottom to send it to Musique Cordiale. (There is a separate French/Euro application form available from the website. *Un formulaire de demande français / euro séparé est disponible sur le site Web - à la fois pour la réservation en ligne et pour remplir à la main*).

- **2020 choir enrolment process** THANK YOU FOR YOUR INTEREST IN THE 2020 MUSIQUE-CORDIALE CHOIR. Please note that, this year, Brexit means that the choir enrolment process is different. It is OPEN NOW. It is a 2-stage process. First, we ask for your initial application now by completing this form and paying for your participation and membership + payment of an initial down-payment if you will want accommodation. You can also buy your dinner package now. Or you can pay just our MINIMUM DEPOSIT when booking. Secondly and separately, we will offer a kind of in-house accommodation and travel agency which will offer a range of options, most with limited availability. It will begin DETAILED booking for accommodation (and any travel) a little later. See the website for some early-bird discounts too. (We will provide full details of travel and accommodation arrangements and prices in early February when we can tell you all the post-Brexit arrangements. At that time, we will ask those who have paid down-payments to complete a further form or we will consult you - with detailed accommodation options. Prices for the summer and autumn events in 2019 may be an approximate guide). All payments continue to be reimbursable until the relevant application dates, except that, especially those invoices that include accommodation, will feature a final due date for payment of balances. Once we send you such an invoice, payments are no longer reimbursable, per your agreement below.

Please enter any general points you wish to make about your application, including prior experience if you have not sung with Musique Cordiale before.
